Inaugural Chelly Summer Invitational

All proceeds raised in 2025 will be donated to the Laidlaw family in support of Jack and developing a cure to SPG4!

What?

The Chelly Summer Invitational is a charity hockey tournament with all proceeds going to support local charities and families in need, with all revenues from the 2025 edition going to the support the Laidlaw family to help fund a cure for SPG4.

Co-Founders Marc Telmosse and Chelsea McDonald come with plenty of experience as the co-organizers of Ottawa's largest winter adult hockey tournament. Women's Division Lead Josie Fitzgerald brings strong connections to the local women's hockey community, promising a great division and Social Outreach Leads Megan Suchon & Alisha Sullivan are renowned for their ability to create vibrant and engaging events. This summer event promises to be a top-tier experience for all participants and spectators.

All teams are guaranteed a total of 3 games over 2 days between June 10th-12th 2025, and those making the playoffs will play one or two games on the afternoon of the second day. Each team will be seeded dependent on overall registered teams. The divisions are decided by the organizers and Sensplex based on team registration information.

Where and When?

The Inaugural Chelly Summer Invitational is taking place Tuesday, June 10th - Thursday June 12th, 2025 at the Bell Sensplex in Kanata.

Why Sponsor?

This tournament is set to be another premiere adult hockey tournament in Ottawa, with over 320 players expected for the first edition. Sponsors can receive a variety of benefits, including Division Name, a table at Jack's Gala: Reaching for the Stars (May 24, 2025), logo on tournament posters and participant (+320) swag, name recognition during social event, and more.

Every contribution helps raise money for Jack and the Laidlaws. Together we can help this family continue to build hope for their son's future and others living with this devastating disease. Please contact us by May 16th, 2025!
