

The Travellers Hockey League's priority is the health and safety of its hockey community. As such, and looking ahead to the upcoming winter season, the Travellers Hockey League will be asking that all players, coaches, officials, volunteers and staff be double vaccinated before the start of the 2021/22 season.

Let's return to the ice in a safe manner!

I, \_\_\_\_\_, team representative for the  
\_\_\_\_\_ Hockey Team confirm that all of our participants have  
received their double vaccination against COVID-19.
